

African Pride

African Pride's **Miracle Deep Conditioning No-Lye Relaxer System** comes in three formulas—regular, super and Sensitive Scalp Rosemary & Jasmine. Each of the relaxing systems contain 17 herbs that heal and hydrate hair, including nettle, which prevents dandruff, conditions hair, stimulates growth and adds shine; burdock, which helps relieve itchy scalp and promotes the healing of skin and scalp; and rose hip to moisturize, soothe and smooth the hair. The regular formula is a gentle, long-lasting way to get straight, sleek and shiny hair. Super works for coarse hair or hair that is resistant to the regular formula, and Rosemary & Jasmine is especially for sensitive scalps. Call 866.720.0603 or visit african-pride.com.
